Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Phone: _____ Work: _____

E-Mail: _____ DOB: _____

Applying for: On-line _____ On-site _____

1. Why do you want to attend this course? Please attach a typed or neatly handwritten essay. How do you plan to use the information gained from this course?

2. How did you hear about the Center For Herbal Studies program? _____

3. Were you referred by someone? If so, any letter of recommendation should be included with this application.

4. What is your background in herbal medicine and how long have you been interested in it? (Self-study, apprenticeships, reading, workshops, etc.) Please attach a copy of any certificates.

5. Have you studied other allied topics? (Nutrition, Bodywork, Flower Essences, Reiki, Homeopathy, etc.) and with whom? Please attach copies of any certificates or degrees.

6. Have you had the prerequisite class: College Level Anatomy & Physiology? _____

If yes, please include a photocopy of your transcript. If not, are you enrolled in a current class? List location and name of school: _____

7. Do you have any medical training? (MD, RN, OMD, RD, ND, DC, etc.) Please include a CV of your education and practice. _____

8. This program requires a two year commitment (*time & financial). Are there any situations (grad school, career, family, health, etc.) that would prevent you from making this commitment? _____

9. In addition to class time all students are expected to do supplemental reading, case histories, diagnostics practice and **2 Class Projects (1 per year). Are you able to do this?

10. Student loans (State/Federal) are not available for this program. Can you commit to the financial responsibilities involved? _____

*David Winston's Center For Herbal Studies meets 43-45 weeks out of 52 per year (5:00pm-10:00pm). Excessive absence (more than 7 in one year) or chronic tardiness may result in dismissal from the program.

**Class projects are extensive projects that are chosen by the student and the staff. They may include written work (40-60 pages typed), demonstration, videos, slides, lecture, etc.
